I consent to acupuncture treatments with Victoria Koos L.Ac MTOM. I have discussed the nature of my treatment with Victoria Koos L.Ac. MTOM.

I have been informed that acupuncture is a safe method of treatment, but that it may have side effects including bruising, numbness or tingling near the needling sites that may last a few days, and dizziness or fainting. Unusual risks of acupuncture include pneumothorax and organ puncture.

I acknowledge that if I don't give 24 hours notice for cancellation of an appointment, I will be charged 75% of the cost of service for the missed appointment.
